The letter looks great, I'm sure we have not problem signing that. I will forward to Karen and Andy.

This is a test of how well you are feeling.

If not well, don't look at this and I'll take it to Rena to send to Karen as you told me to do.

If you do feel like it, take a peek, no more, and let me know of any thoughts / changes that will please Karen.

Hope you're feeling good.
